SPANISH BELT CUTS THE BARCELONA VEIN

Manager W. J. Pike announces that the Ernest vein has been cut in the long tunnel which he has been driving under the old Barcelona property for the past eighteen months and that it is only a question of clearing away the muck before beginning to drift on the vein. The connection between the tunnel and the old workings was made four days ago. At a distance of 1275 feet from the portal of the long tunnel Manager Pike raised and connected with the old workings from which a winze had been sunk and some lateral work done. Last Saturday afternoon Victor Barndt, accompanied by W. J. Pike and S. F. Hunt, visited the property and were well pleased with the prospect for soon restoring the old mine.

WOMAN SHOTS TWICE AT MAN

Mrs. E. Radovich was arrested Sunday afternoon for taking a couple of shots at Mike Roskovich as the latter was coming off shift from the Desert Queen shaft. The shots went wide of the intended mark and as only two chambers of the weapon were loaded the woman had to refrain from a further demonstration. The shooting is a sequel to a trial that was held Saturday afternoon before Justice Dunsen and which resulted in Roskovich being fined \$100 for discharging firearms in the city limits. The charge was the outcome of a visit Roskovich paid to a local Slavonian grocery where he met Mrs. E. Radovich, who is his sister in law, in company with Rado Laskotich. Roskovich did not like the intimate association and drew a gun and fired two shots in the ceiling which, he said, were intended to scare the other fellow. The case went to a jury and Roskovich was found guilty.

NO DELINQUENTS ON THE TAX LIST

When Jack Barrier, the county treasurer, appeared on the steps of the courthouse this morning at 10 o'clock to offer for sale the lots and property remaining on the delinquent list he did not find an audience any larger than the slim offerings justified. There were just three persons drawn out of curiosity and the formality of conducting the sale was quickly dispensed. The largest individual delinquency was for three lots in Rhyolite and not a single lot in Tonopah. This is the smallest list in years which demonstrates that Nye county is enjoying a share of the general prosperity.

KNIFING VICTIM IN A BAD SHAPE

Steve Ugarovich, an Austrian miner, was brought in from Round Mountain by Sheriff Thomas yesterday and lodged in the county jail awaiting the results of injuries sustained by W. J. Ugar, a countryman. The men came into Round Mountain from Jefferson Canyon and after fighting freely engaged in a quarrel during which Ugarovich is alleged to have drawn a knife and stabbed his adversary twice in the vertebral region. The injured man was attended by Dr. Crane and his assailant made his escape in the direction of Manhattan but did not succeed in getting any further than the office of the Round Mountain Mining company where he was held for the 10 floors. Arrangements were made to bring Ugar to the county hospital as soon as he can be moved which may not be for a week.

NOTICE TO MERCHANTS

The service man for the National Cash Register company will be in Tonopah Tuesday and Wednesday of this week. If your register needs attention, leave word for Mr. E. R. Price at Mizpah hotel. advJ1511

HILL PUZZLE TO GEOLOGISTS

Stone Columns on Eminence Near Pachucha, in Mexico, Out of Keeping With Other Formations.

A very remarkable geological freak in Mexico is a mountain situated near Pachucha which presents the appearance at a distance of being covered with spikes. The sides of the mountain are closely studded with stone columns or pinnacles. These columns are five to twelve feet long and as large round as an average man's body. It is a remarkable uplift of nature which has the appearance, however, of being the handiwork of human beings. One side of the mountain is almost perpendicular and the stone columns protrude from the surface at right angles, forming an impressive picture.

Pachucha is one of the most noted mining districts in Mexico, and it is said by geologists that this remarkable spiked mountain is out of keeping with the remainder of the formation of the mineralized region. The stone is as hard as flint and has withstood the elements of ages. The spikes form a natural battlement that makes the mountain appear from a distance like an ancient fort. The mines of the Pachucha district are situated not far from this wonderful freak of nature, but the formation encountered in their respective underground workings is of an entirely different kind from that of the pinnacles.

DR. MASTERSON GOES TO CAMP FREMONT

Dr. J. R. Masterson received orders this morning assigning him to duty with the army at Camp Fremont, Calif., with instructions to report at Palo Alto not later than August 23. The doctor will close up his personal and professional affairs in a few days and comply with the orders without delay. The news was no surprise as the doctor has been holding himself ready to move ever since he received his commission as first lieutenant. Mrs. Masterson will accompany her husband to Palo Alto while the doctor reports to the general commanding the eight division. The residence occupied by the Mastersons has been leased to William Hillier, superintendent of the Cash Boy.

COYOTE ATTACKS SLEEPING INDIAN

Jack Hooper, an Indian, 19 years of age, was taken to Reno this morning for the Pasteur treatment in consequence of a laceration received from a coyote on the Toiyon ranch at Sand Springs near Duckwater Saturday morning. The boy was brought to the county hospital yesterday by Paul Irwin of Duckwater and, after extending first aid, it was decided to send the patient to Reno as it was supposed the lad had been inoculated with the virus of the rabies. Hooper was sleeping in his cabin Saturday morning at about 4 o'clock. The door was open and a coyote entered and sprang upon the sleeping boy who was seized by one ear. Hooper awoke to find the beast on top of him. He managed to throw off the brute which returned to the encounter and seized Hooper's left arm in his jaws. After another short struggle the animal was thrown aside and immediately darted for an adjoining room where Jack Stode was asleep. The latter was partially awakened by the noise in the other room and, when he felt the coyote spring on his bed he darted under the bed clothes and pulled them securely over his body until he heard the visitor leave the way he entered. Then both boys began an examination which resulted in disclosing scratches sustained by Hooper while Stode was not hurt. It was too dark to trail the fleeing brute but the footprints showed plainly that it was a coyote. The Indians say the animal was rabid for under no other circumstances is one ever known to enter an enclosure. Hooper and Stode rode over to Duckwater where Mr. Irwin volunteered to bring in the sufferer.

MONO LAKE PLACER MINES

Harvey L. Dunn and A. D. Hadsel, says the Bridgeport Chronicle-Union, have closed a deal for the Mono Lake placer mines, which they expect to develop extensively by the aid of modern machinery. Thomas Kelly of Bishop has controlled the property for several years, and was instrumental in getting the new company to take hold of the placers.
